Book a Speaker Who Will Earn You Raves!

Our expert speakers are industry thought leaders who inspire new ideas, strategies, perspectives, and measurable results focusing on simple but relevant solutions healthcare leaders can use as catalyst for organizational change.

Our fully customizable presentations are not only “game changing;” they are also highly entertaining, inspirational and just plain ol’ fun as speakers integrate humor, stories and a perfect dose of audience participation to ensure retention and lasting value long after the event is over.

**Our keynote speeches range in price from $6,500 - $12,500.**

Integrated Loyalty Systems Facilitator: $6,500 - $10,000 plus coach class travel expenses.
Integrated Loyalty Systems President: $12,500 plus business class travel expenses.

**“The Voice of the Customer” improvisational actress:**

Plus up your event by adding on an improvisational actress who plays the part of a customer, patient or leader to help bring home the key message in a wildly entertaining and humorous way.

Jake Poore’s Most Popular Topics

Exceptional Patient Experiences: It Must be Who You Are ... Not Merely What You Do
An organization’s culture is “the way we do things here.” We’ll share how healthcare organizations have successfully created cultures by patients and staff, for patients and staff... and the secrets of successfully hardwiring that culture for lasting impact.

The CAHPS Challenge: It’s All About Always
The pressure to deliver improved scores on CAHPS surveys has never been greater, and we'll share specific steps to help ensure every patient interaction is positive, and that everyone in the organization is aligned and understands the power of the survey response: always.

Creating Exceptional Patient Experiences - Every Patient, Every Day
Hear how proven strategies have been adapted from world-class organizations (i.e. Disney) and successfully implemented despite the unique challenges of the healthcare industry and the distinct relationships that exist among patients, providers and healthcare organizations.

The Leader’s Role in Building and Sustaining Exceptional Patient Experiences
Taking care of patients isn’t the first priority of great healthcare leaders; it’s balancing results an relationships so that every employee is engaged and feels they are a valued part of the Care Team and they can care for patients.

Patient Experience: From the Board Room to the Exam Room
Is what you promise on your billboards (wait times,”people who care,” etc.) being delivered to every patient? Are the messages clear and consistent from senior leadership to the front- line staff and everywhere in-between? We’ll cover ways to help you create aligment and deliver on your organization’s promise.
